Community Navigator

Full-time Interim Position (2-3 month term)

Company: Urban Heiltsuk Support Team

Location: Vancouver, BC

About Us: The Urban Heiltsuk Support Team is a community-focused program dedicated to empowering individuals and families by connecting them with the resources and support they need to thrive. We believe in building a strong and resilient community through collaboration, advocacy, and empowerment. Join us in making a difference and fostering positive change in our community.

Position Overview: We are seeking a passionate individual to join our team as a Community Navigator on an interim basis of 2-3 months, with possibility of extension. The Community Navigator will serve as a trusted guide and advocate for community members, helping them navigate available resources and services to address their needs and achieve their goals. This role requires a deep understanding of community dynamics, excellent communication skills, and a commitment to social justice and equity. The community navigator will work alongside the Urban Heiltsuk Support Team by providing resource navigation, case management, participation at community events, and assist with grant and proposal writing.

Responsibilities:

- Conduct assessments to identify the needs, strengths, and challenges of community members.
- Build trusting relationships with individuals and families.
- Collaborate with community members to develop personalized action plans to address their immediate needs and long-term goals.
- Attend case management meetings and provide wrap around care.
- Maintain up-to-date knowledge of available resources, programs, and services within the community, including but not limited to healthcare, housing, employment, education, and social services.
- Connect community members with appropriate resources and services based on their unique needs, preferences, and circumstances.
- Assist individuals and families in navigating the application processes for various programs and services, providing guidance and advocacy as needed.
- Collaborate with community-based organizations, government
